ABSTRACT.

Pension Commutation— Narasimha Rao, SRi N- Retd Taluk Head accountant —**Medical examination.**

SRi N. Narasimha Rao is informed that his age next birthday being taken to be 59 years, the capitalized value of Rs. 25-0-0 of his pension will amount to about Rs. 3108/-

The amount will be less if the medical certificate directs any addition to his age. The table of present values on the basis of which the amount has been calculated is subject to alteration at any time without notice and consequently the amount calculated is liable to revision. If he wishes to commute his pension on these terms, he should appear before the D.M.O. Bellary to be examined before ~~29-12-52~~ 1-1-53

2. The Medical Officer should subject the pensioner (whose identification marks are given in the application for commutation) to a strict medical examination, requiring him to give such information as to his health and habits as is usually supplied by persons proposing to assure their lives in assurance companies and should report in the form prescribed in G.O. No. 348, Finance (Pension), dated the 1st June 1934. The report in duplicate with the application for commutation should be sent confidentially by the Medical Officer to the Secretary to the Standing Medical Board, Madras.

3. The Medical Officer is requested to return the commutation papers to Government if the applicant fails to appear for medical examination within the time specified in paragraph 1 above.

To the D.M.O. Bellary.
